NOOSA RESORT & VILLAS — SUNSHINE COAST

CONFERENCE & EVENTS KIT

2025

REMEMBER WHEN EVENTS WERE EFFORTLESS?

Welcome to the lush and serene rainforest eco-system of the UNESCO-designated Noosa Biosphere, an inspiring setting for your next event on Queensland's picturesque Sunshine Coast.

Nestled in this internationally protected area lies Peppers Noosa Resort & Villas, one of the largest conference and event facilities in the region. The resort is tranquil, yet only moments from the world class shopping and culinary hub of Hastings Street and Noosa's stunning main beach, Laguna Bay.

Peppers Noosa Resort & Villas is spacious and naturally designed to celebrate the sub-tropical environment, with views to both ocean and rainforest, yet the setting is intimate and friendly in distinct Peppers style. Choose from a range of flexible event spaces that can host up to 1000 guests cocktail style. Delectable menus, the latest multi-media technology and the highest level of guest service will ensure every event is seamless. The accommodation is elegant, from spacious resort apartments to luxe villas.

Inspire creativity and focus in the rainforest, and let our creative and experienced Peppers planners introduce you to the possibilities.

NOOSA & DISTRICT LANDCARE GROUP

Peppers Noosa Resort & Villas, alongside Noosa Council and the Queensland Government, is proud to partner with Noosa & District Landcare Group (NDLG), and will donate \$1 for every day delegate package sold to the Noosa Koala Habitat Recovery Project. Across the nation, but particularly in Queensland, koala's are in the midst of a significant decline mostly as a result of incremental habitat destruction and the effects this has on population health. The Noosa community has recognised that protecting existing habitat, whilst important, is not enough to ensure the long term survival of Australia's most iconic and loved species. We need to rehabilitate vital corridors and strategic habitat to facilitate greater numbers and ensure the long-term genetic health of our remaining koala populations.

The Noosa Koala Habitat Recovery Project involves supported forest natural regeneration and the planting of over 302,000 mainly koala food trees to re-create the Noosa Lowlands to Hinterland Corridor Link. Whilst koalas are the target species motivating partners to undertake this project, a significant number of other threatened species will directly benefit, including the Glossy Black Cockatoo and Richmond birdwing butterfly. Once rehabilitated, the area will be allocated as National Park under the Nature Conservation Act 1992 with protection and management secured in the future.

CONFERENCE AND EVENT VENUES

MACQUARIE CONFERENCE CENTRE

Our Macquarie Conference Centre offers three modern spaces, Rainforest, Aqua and Ocean. These rooms can be combined to cater for up to 350 theatre style, or utilised as individual rooms. Dynamic and flexible, the three rooms feature dark wood panelled walls, rigging, high ceilings and large external doors which can either block off natural light completely, or allow the sunshine and warmth of the surrounding Noosa National Park.

AQUA & OCEAN

The Aqua and Ocean Rooms are best suited for smaller meetings or delegate breakout sessions. Both rooms open out onto the pre-function terrace and Park & Cove Bar which offers a sophisticated space for group activities or pre and post conference receptions.

RAINFOREST

The Rainforest room is the primary conference room in the Macquarie Conference Centre. The space is perfect for cabaret and theatre style event set ups, or gala dinners and seminars.

PRE-FUNCTION TERRACE AND PARK & COVE

Our stunning Park & Cove bar connects the Restaurant and the Macquarie Conference Centre and is the perfect location for a conference reception or cocktail party pre or post-event.

OHANA BOARDROOM

Opposite the resort's reception, our traditional boardroom style space offers natural light and a private terrace.

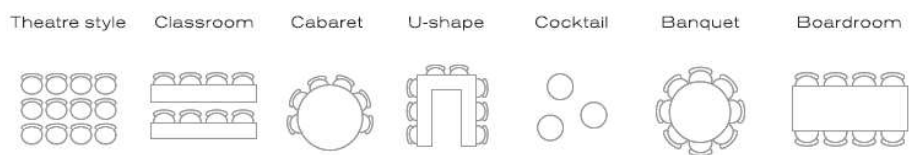

LEIGHTON'S THEATRETTE

A purpose-built 87 seat theatrette nestled away from the main conference facilities, ensuring ultimate privacy amongst the treetops.

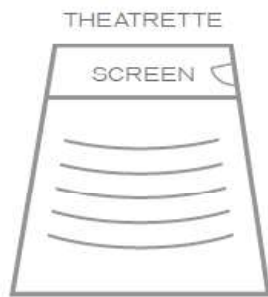

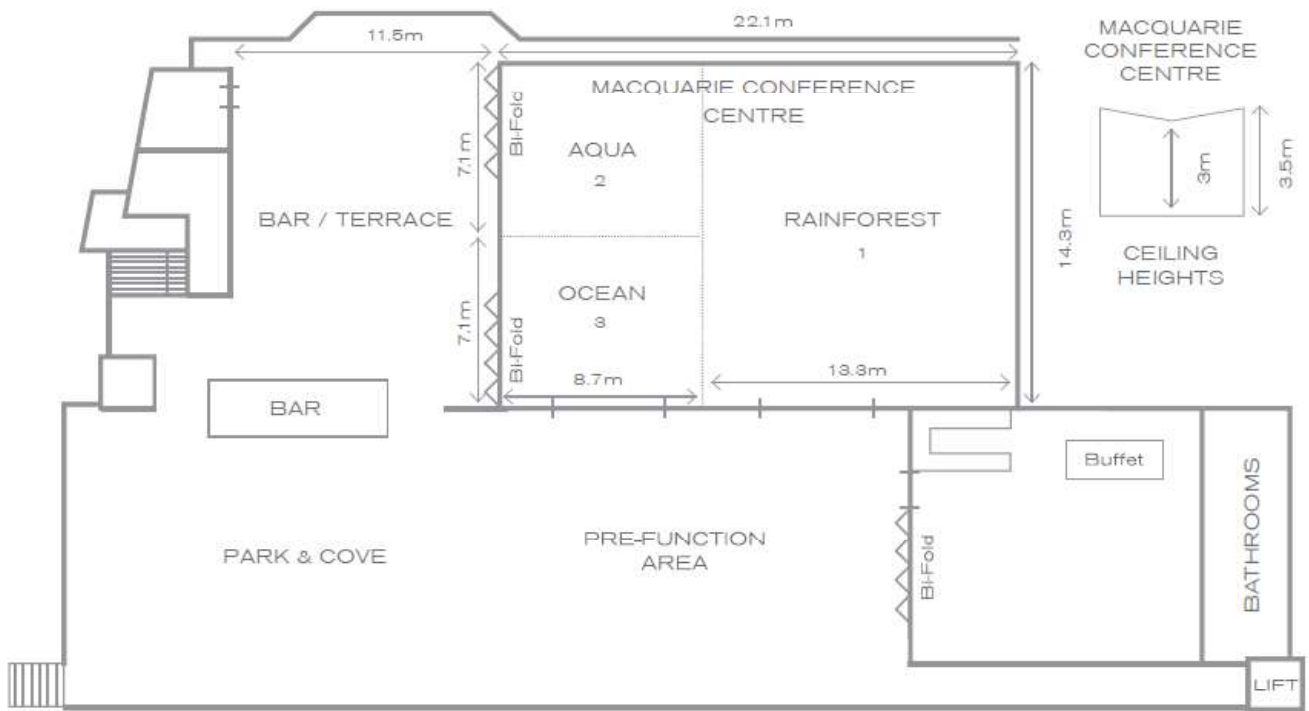

PARK & COVE

Park & Cove Restaurant is situated on Level 1 of Peppers Noosa Resort & Villas. Featuring a mouth-watering array of highly creative dishes, resulting in a menu of uniquely local flavours, assembled with true flair and served in a relaxed, informal dining environment that features a view of Noosa National Park – complemented by a taste of Noosa on the plate. Can be booked exclusively for lunch or dinner, alternatively the open-plan design offers a spacious bar area and multiple dining spaces to cater for any occasion.

Room	Area (m ²)	Theatre	Classroom	Cabaret	U-Shape	Cocktail	Banquet	Boardroom
Macquarie Conference Centre (Rooms 1, 2 & 3 combined)	316	350	160	176		400	220

Details of equipment and rates are available upon request.

INSPIRED CATERING WITH FRESH, LOCAL PRODUCE

A testimony to the land it lives on, it's time to usher in a new era for Australia's long-loved dining destination Noosa. Hidden in a private nook of the headlands with a menu as ever changing as the seasons and serving a consistently rich quality as sure as the sea, we invite you to celebrate the abundance of our Sunny Coastal Kitchen, Park & Cove.

Park & Cove is a love letter to local, where staff greet you like an old friend and the menu designed with a commitment to genuine provenance; all produce sourced and foraged right here, from our community.

Our kitchen is spearheaded by Executive Chef Andrew Wilcox, a third generation Noosa local. Andy's cooking journey began at the age of 13 with a keen appetite to expand his knowledge. A school-based apprenticeship followed which he continued for three years, and once completed he purchased a one-way ticket to Melbourne to explore the world of food from a different perspective. Andy was quickly thrown into the world of responsibility, managing the kitchen at busy 'Cadevin on Bourke Street' where he embraced the local produce, venturing to the food markets every Saturday, a passion which he has carried forward throughout his career.

Our Conference & Events Banquet Kit has Andy's stamp of approval, and focuses on nourishing, local, ethically sourced produce from the Sunshine Coast region, and offers dining options which support healthy cognitive function and improved memory.

BE CHALLENGED

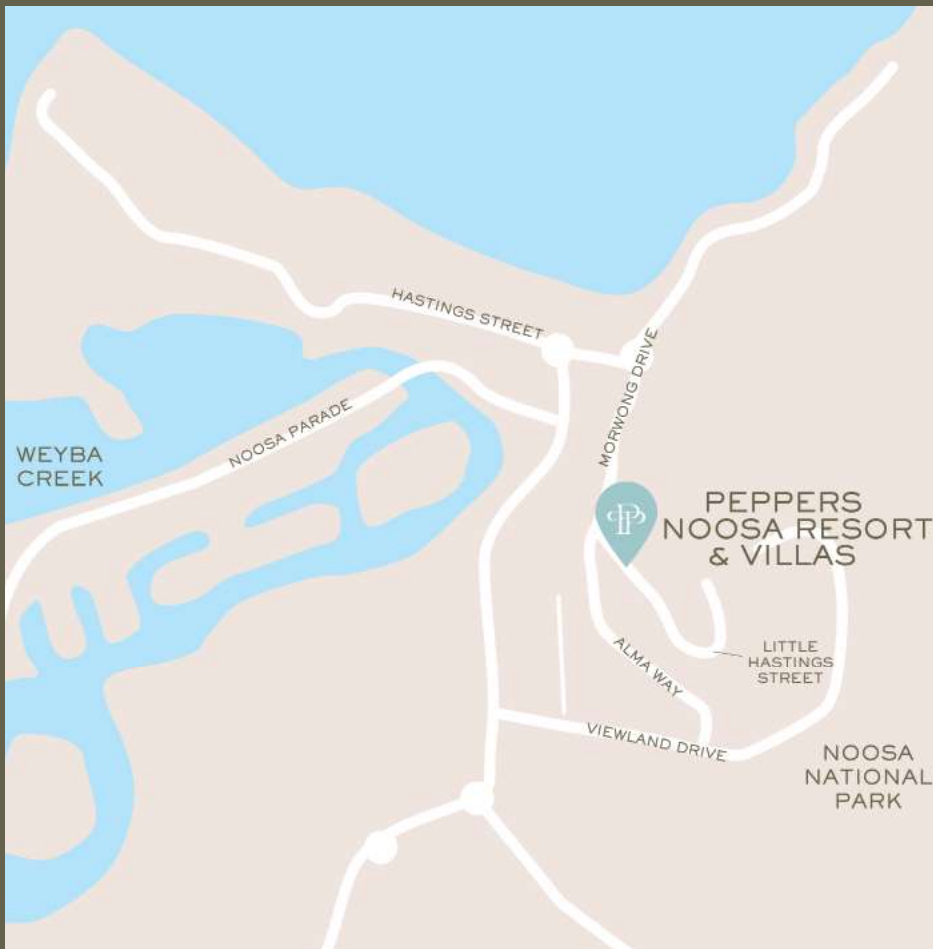

Since 2008 Be Challenged have specialised in workshops and programs designed to foster team cohesion, personal growth, skills and job satisfaction.

Whether you're looking to develop your team's skills, drive performance and leadership, give back to the community or simply have some fun, we have a program or workshop to suit, for groups of five people to 1,000-plus people. All our programs have been professionally developed using scientifically proven strategies, and are then tailored to suit your specific objectives, group size and location - anywhere in Australia. Plus, every program booked results in a giving through our Giving Partner B1G1. Whether delivering a program indoors, outdoors, virtually or hybrid key learning outcomes are teamwork, communication, planning and leadership, along with practical skills around problem solving and strategic thinking.

NOOSA DESTINATION MANAGEMENT COMPANY

If you are looking for any off site activities, team building, dining, airport transfers, or an extraordinary experience tailored to suit your needs, Noosa Destination Management Company is a one stop shop for all of your off-site requirements while in Noosa
